

# Applications

Liquamelt® can be used for many applications where traditional hot melt, cold adhesives, staples or packaging tape are currently used. Our growing customer base has used Liquamelt® in such applications as:

- Case and Carton Sealing

- Box Forming [ Testimonial ]

- Tray Forming [ Testimonial ]

- Corrugated Assembly [ Testimonial ]

- Product Assembly

- Point of Purchase Display

```
var gaJsHost = (("https:" == document.location.protocol) ? "https://ssl." : "http://www.");
document.write(unescape("%3Cscript src=" + gaJsHost + "google-analytics.com/ga.js'
type='text/javascript'%3E%3C/script%3E"));
```

```
try {
var pageTracker = _gat._getTracker("UA-7928833-1");
pageTracker._trackPageview();
} catch(err) {}
```
